Model Number: 32310

Clean Storm 32310, Forged Brass 90Â° Elbow, 3/8" Male NPTF x 5/16" Hose ID, 32-310

Manufacturer: Clean Storm

Clean Storm 32310, Forged Brass 90° Elbow, 3/8" Male NPTF x 5/16" Hose ID

Description

The Clean Storm 32310 (32-310) is a heavy-duty forged brass 90-degree hose barb elbow designed for reliable, high-performance fluid handling connections. Featuring a 3/8" Male NPTF thread on one end and a 5/16" Hose ID barb on the other, this durable fitting provides a tight, secure seal in demanding applications. Manufactured from premium forged CA377 brass, it delivers exceptional strength and corrosion resistance. Ideal for industrial, commercial, and automotive plumbing, this fitting is engineered for use with hose clamps, similar band clamps, or crimped ferrules. Take advantage of our "Buy More, Save More" tiered volume discounts to stock up and save on your project costs.

Features

- Heavy-Duty Forged Construction: Crafted from CA377 brass for enhanced structural integrity and maximum durability compared to standard cast fittings.
- Secure Connection: Precision-machined 5/16" hose barb ensures a tight grip when secured with a hose clamp, band clamp, or crimped ferrule.
- 90° Elbow Design: Allows for clean, tight-angle routing of hose lines to prevent kinking and stress on connection points.
- Wide Temperature Range: Engineerd to withstand extreme temperature conditions ranging from -400°F to +1600°F.
- Cost-Saving Volume Pricing: Eligible for "Buy More, Save More" bulk purchasing discounts.

Specifications

Brand / Model
Clean Storm 32310 (32-310)

Fitting Type
Forged Hose Barb 90° Elbow

# Clean Storm 32310, Forged Brass 90Â° Elbow, 3/8" Male NPTF x 5/16" Hose ID, 32-310

Thread Size & Gender
3/8" Male NPTF (MIP)

Hose Connection Size
5/16" Hose ID

Material
Forged CA377 Brass

Operating Temperature & Pressure
-400°F to +1600°F at 150 PSI Maximum

Dimensional Tolerance
+/- .02 on all dimensions (Data subject to change without notice)

Fastening Method
Intended for use with hose clamp, similar type clamp, or crimped ferrule
