Manufacturer: Bissell

Bissell BGUS1000 BigGreen Light-Duty Upright Floor Scrubber and Drier

Details

This Bissell BGUS1000 BigGreen light-duty floor scrubber and dryer combines the power of a floor scrubber with a vacuum to make the ultimate floor cleaning machine! Controlled by separate motor switches, the scrubber brush and vacuum suction can work independently or together to provide you with clean floors in your bathroom, kitchen, and dining area. Two squeegees follow the 12 3/5" wide vacuum path and 11 2/5" wide scrub path to ensure your floors dry quickly to help prevent accidents.

Complete with a .75 gallon solution tank and a 1.5 gallon recovery tank, this floor scrubber employs 15.4 lbs. of scrubbing pressure. Weighing in at just under 29 lbs., this floor scrubber utilizes an adjustable handle for easy storage and transportation. It also includes a 12" power cord with a 40' extension cord and NEMA 5-15P plug for use in the USA.
