Haaga 477 Profi Line Turbo Deluxe Triple Brush Push Power Sweeper 31inch Freight Included

Manufacturer: Haaga

Haaga 477 Profi Line Turbo Deluxe Triple Brush Push Power Sweeper 31inch

The Haaga 477 Profi-line sweeper is the first in the new generation sweepers with the Turbo patented three brush sweeping system.

With new additions to the sweeper performance has been enhanced in this new range. Changes to the bin, sweeping plate and third brush have all improved the sweeping performance.
New ergonomic handle for fatigue free operation.With a guiding roller and brush guider on one side only, this gives the added advantage of sweeping into corners, the other side with no roller allows the protruding brush to sweep better under an overlapping edge. Gear covers have also been fitted over the front disc drives to increase the durability. Easy to store and light weight to carry, makes sweeping quick and easy to do.
