Manufacturer: Haaga

Haaga 497 Deluxe Triple Brush Push Power Sweeper 38inch Now BG697

The Haaga 497 Profi-line sweeper is the next in the range of new generation sweepers with the Turbo patented three brush sweeping system.With new additions to the sweeper performance has been enhanced in this new range.
Changes to the bin,sweeping plate and dust seals around the third brush have all improved the sweeping performance.New ergonomic handle for fatigue free operation.With a guiding roller and brush guider on one side only,this gives the added advantage of sweeping into corners,the other side with no roller allows the protruding brush to sweep better under an overlapping edge. Gear covers have also been fitted over the front disc drives to increase the durability. Easy to store and light weight to carry,makes sweeping quick and easy to do. Specifications:
Turbo operating system 97 cm sweeping width 50 litre waste bin Weight 16 kg Performance 3600 sqm/h Wall storage capable Gear covers Dust seals Ergonomic handle Brush guider Features and Benefits: Sweeps up fine and course dirt Sweeps up dry and wet leaves Space saving storage without loosing contents from the waste bin Problem free,belt-less drive Light weight construction for fatigue free operation Dust seals around the third brush Warranty: Domestic:4 years brush wear warranty,2 years complete sweeper Commercial:12 months on complete sweeper Note: Terms and conditions apply.
