Model Number: 08312020

Clean Storm 08312020, CE3050, BrushMaster Air Duct Agitator System, 66 ft with 7 Brushes, Drill Foot Petal Included

Manufacturer: Clean Storm

Clean Storm 08312020, CE3050, BrushMaster Air Duct Agitator System, 66 ft with 7 Brushes, Drill Foot Pedal Included

Description

The Clean Storm BrushMaster Air Duct Agitator System is a professional-grade air duct cleaning accessory designed to connect seamlessly with truck-mounted carpet cleaners or portable extraction systems. Featuring a 66-foot crush-proof vacuum hose, a durable 3/16-inch drive cable, and seven versatile button brushes, this system effectively dislodges dust, debris, and contaminants from HVAC systems ranging from 4 to 18 inches in diameter. Engineered for clockwise and counter-clockwise operation, the system is easily driven using a standard 18V or 24V cordless or corded drill equipped with a clutch.

Warranty Void Conditions: Damage caused by using a non-clutched drill, operating the unit faster than 320 RPM, turning/using the cable while the hose is coiled up, exceeding 360 degrees of turns, or general operator error resulting in a broken cable will strictly void the warranty.

Features

- Includes a 66 ft by 1.5 in crush-proof vacuum hose and a 3/16 in diameter drive cable.
- Comes with 7 assorted Flex-Button brushes accommodating duct sizes from 4 in to 18 in in diameter.
- Operates in both clockwise and counter-clockwise directions for thorough cleaning.
- Equipped with a 3/8 in round drill drive system compatible with standard clutched drills.
- Includes an electrical power cord foot pedal controller for convenient operation.
- Built-in safety features: requires a clutched drill set to a low setting, a maximum operating speed of 320 RPM, and limits cable rotation to no more than 360 degrees.

Applications

- Residential and commercial HVAC air duct cleaning and agitation.
- Dislodging stubborn dust, dirt, and debris inside flexible and rigid ductwork.
- Integration with truck-mounted and portable carpet/tile cleaning machines using an optional Dust Downer system.

Specifications

Clean Storm 08312020, CE3050, BrushMaster Air Duct Agitator System, 66 ft with 7 Brushes, Drill Foot Petal Included
