Injectidry Active Hoseline Upgrade Kit AC8301

Model Number: AC8301

Injectidry Active Hoseline Upgrade Kit AC8301

Manufacturer: Injectidry System

Injectidry Active Hoseline Upgrade Kit

Upgrade your "Original" HP's and cut your setup in half with this package! Active Hoseline© comes with hose, inserts, tubing and injectors. SAFETY FIRST! The injector delivers dry air into the wall cavity (or removes wet air if used on suction), exchanging wet air with dry, 30-90 times per hour.
