Equipure Spot Vortex Spotting Tool

This is a great new product! It is designed to enhance Spot & Odor removal. The SpotVortex gives you the power to remove spots and odors caused by food, liquid, soil, and even pets, all in a simple to use attachment for wet-dry vacs and carpet cleaning machines. The SpotVortex concentrates your machine's suction, enhancing it's soil and liquid removal abilities. The multi-layer extraction thoroughly cleans the carpet's surface, backing, and pad. The SpotVortex helps keeps spots and odors from reappearing.

The cone itself is 1-7/8" for
professional & rental carpet cleaners, then we also include a 1-1/4" adapter for small wet dry vac & Bissell machines,
then a 2-1/2" adapter for large wet dry vacuums.
Can be used with all hose sizes: 1-1/4", 1-1/2", 2", and 2-1/2" ID
