Manufacturer: HydroForce

OmniDry Mini Air Mover P-230AT
Good things come in small packages!
Don't be fooled by its size! The OmniDry Mini is the most economical, powerful, energy-efficient and ETL Certified mini air mover.
Quickly dry areas where larger air movers don’t fit, such as crawl spaces, under counters, inside cabinets or closets and more.
Now includes a timer function not shown in photo.
Please note color or shade of plastic is not guaranteed.
