Model Number: 77000

Tornado 77000 11in Rapid Recovery Roller Wand Type R 2 Jet

Manufacturer: CFR

Tornado 77000 11in Rapid Recovery Roller Wand Type R 2 Jet CFR 10470A

Description

This high performance "Roller Wand" is easy to operate on all carpet surfaces, it is especially recommended for medium to higher nap carpets. Ergonomically designed for comfort, this tool works in a pull back motion for maximum results and productivity.

Please note the wands cleaning stroke is reverse or walking backwards.

77000 is a 2 jet Reverse cleaning wand.

No water flow valve is included with the tool as you have to use with CFR brand solution hose.

Type R wands operate the rinse in a pull back direction
