Model Number: XWF3020N/ET

AR Pump XWF3020N/ET Pump:7.92/2900 Pump/Motor

Manufacturer: Annovi Reverberi Pumps

AR Pump XWF3020N/ET Pump:7.92/2900 Pump/Motor
Description
Highly versatile and efficient, the Annovi Reverberi (AR) Plunger Pump XWF3020N/ET is designed to tackle even the most demanding cleaning tasks with minimal effort. This impressive pump, delivering 7.92 GPM and a pressure of 2900 PSI, is noted for its high performance and durability in a variety of applications. From industrial cleaning to pest control treatments, this pump assures outstanding results consistently.
The AR Plunger Pump XWF3020N/ET’s compact build does not compromise on power. Its design allows it to deliver high-pressure output, making it an optimal choice for businesses from agriculture to the construction industry. This pump not only ensures effective cleaning but also significantly reduces the time taken to perform these tasks.
