Switchable Temperature Gauge Compatible With many Truckmounted carpet cleaning machines Switch Gauge 20140107

Model Number: 20140107

Switchable Temperature Gauge Compatible With many Truckmounted carpet cleaning machines Switch Gauge 20140107

Manufacturer: Clean Storm

Switchable Temperature Gauge used on many Truckmounted carpet cleaning machines Switch Gauge 20140107

Panel Mount Switch Gauge
Read in both Celsius and Fahrenheit
130 to 250 degree setting
Second needle on right side of gauge is movable to actuate a low voltage device
Used on most truckmounted carpet cleaning machines to control water temperature.
For example if the operator wanted to maintain 230 degrees, he could set the gauge to that temperature and when the two needles touched it would allow the ground to travel to an actuating device, like a dema water dispenser.
2" hole required in panel.
Simply use an Allen wrench to adjust the switching temperature.

57176
V3 SWG03

Product will either be filled with a chrome or black bezel.

Includes 6 ft temperature sensing lead with 1/2" Mip swivel connection.
