General Floor Machine G-Steam Vapor and Vacuum Unit 120 volt one power cord Freight Included

Manufacturer: General Floor Machine

General Floor Machine G-Steam Vapor and Vacuum Unit 120 volt one power cord  
INDUSTRIAL STEAM CLEANING MACHINE

The G-Steam with vacuum features an extra large 5.6 gallon (22 L) recovery tank with an automatic water reload system for non-stop steam at 284° F (140° C) . No more waiting for it to heat up! No more bending over and wiping up the debris! Great on grout, walls, carpeting, blinds, gum, windows, sinks, mattresses, shower molds, kitchens, bathrooms, etc. Clean, sanitize, disinfect, deodorize and kill any bacteria in one pass! Perfect for daycares, food service facilities, hotels, gyms, nursing homes, restaurants, hospitals, veterinary clinics, schools, etc. Complete with two hose attachments and 16 different accessories to tackle any tough job.
