Karcher 1.013-104.0 SG1 C Bp, Backpack Vapor Steam Gum Remover GTIN 886622014737

Model Number: 1.013-104.0

Karcher 1.013-104.0 SG1 C Bp, Backpack Vapor Steam Gum Remover GTIN 886622014737

Manufacturer: Karcher Pressure Washing

Karcher SG1 C Bp Gum Remover FREE Shipping 1.013-104.0
The Karcher SG1 C BP is the innovative new solution that vaporizes gum with heat.

Safe to use on Stone, concrete and even carpet.
Great for maintaining shopping malls, schools, train stations, airports, and supermarkets.

Turn up the heat on removing gum once and for all. Features a 1-year warranty and long-life lithium battery for extending working times. Vaporize gum in seconds: Biodegradable vegetable extract heats up debonding agents dissolving gum without residue or mess. Low pressure fuel canisters are designed to ensure the delivery of proper fuel volume and safe operation. Ultimate portability: No cords or water required. The long-life lithium battery pack provides cleaning power for up to 4 hours. Lighter weight than many conventional battery back pack systems.

The Karcher SG1 C Bp Chewing Gum Remover is a unique vaporizer that will chemically remove chewing gum from many surfaces including concrete, stone and even carpet!

The Karcher Gum Remover is powered by a rechargable lithium ion battery. A special chemical compound is heated via the small butane/propane gas tanks located inside the machine, which travels through the nozzle tool to a small bristled brush at the tip.

Chemical flow is controlled by a dial on the side of the pack, while power and heat are activated via the flip of a switch.

Advantages:
• Remove chewing gum from stone, concrete or carpeted surfaces.

• Battery Operated: Rechargeable lithium ion battery - 4 hour run time.

• Machine Includes: Backpack housing (stores the chemical vaporizer solution and propane/butane gas tanks). Nozzle tool with brush tip, floor hand broom/brush for aggressive jobs. Chemicals and gas tanks sold separately!

• Chemical Vaporizes: A biodegradable vegetable oil based chemical will dissolve dried out chewing gum from a variety of surfaces without leaving behind a sticky residue.

• Variable chemical flow.

• Heat and power are activated via a switch.

• Endless cleaning per battery charge

• 11 lbs of weight - highly portable! 4.5" x 13" x 20.5" (LxWxH)

• Optional Accessories: Chemical and gas tanks sold separately!

What are customers are saying... " I want to thank you for sharing information and for providing a few demonstrations of your SG2 back pack style gum remover for my clients and I. Our facility is almost 200 years old and in Boston. There is a lot of foot traffic. We have had gum on the sidewalks for so many years. With the Kärcher SG2 we have removed almost all of the many many pieces of gum in front of our building. It has improved our overall appearance as you enter and exit our building. A quote for a one time pressure washing of our sidewalks from a vendor exceeded $6,000. Having this machine has already made a major difference for us and will continue to do so. My 1st demo was during the middle of winter and I was amazed that despite how cold it was your machine liquefied the gum. As a contracted

manager we are always trying to bring in and show innovations to our clients. The SG2 has done exactly that. We brought in a solution to our client that saved money and addressed a major challenge in a very busy area. Thank you Kärcher." Respectfully, Josh Roberts CHESP Sodexo General Manager, Boston Area
