.Clean Storm Air Duct Cleaners Chemical Starter Package

Heat Seal Equipment SS1628LP: Octopus Predator Whip 28" (Low Pressure)

Designed to work with your shop vac, portable carpet cleaning machine, truckmount and air compressor (electric or gasoline)

Like all air duct cleaning tools: they will work with as low as 6 cfm but we recommend 12 cfm compressor.

If you use with a 6 cfm compressor, you might have to wait for the air compressor to catch up with you during use.

When you use with a 12 cfm air compressor (or dual 6 cfm units 'Y'ed together), you do not have to wait on the compressor to catch up as 12 cfm offers non stop duct cleaning.

This item can have a 3 week build time. Please only order if you can wait your turn for the build. Covid-19 is causing many factories to have slow order fulfillment time frames. Thanks for understanding.

Standard length is 33 ft

Optional 50 ft and 100 ft available.

Factory installed parts:

Factory Installed (cut into thirds or half depending on size you order)  
Hose Vacuum Hose 100ft x 2.0in Double Lined Truckmount grade

Factory Installed: Cut into thirds or half depending on the size you  
order.
