Clean Storm 32317, Brass Hose Adapter, 1/4 in FPT x 1/8 in, Hose Barb, 32-317

Model Number: 32317

Clean Storm 32317, Brass Hose Adapter, 1/4 in FPT x 1/8 in, Hose Barb, 32-317

Manufacturer: Clean Storm

Clean Storm 32317, Brass Hose Adapter, 1/4 in FPT x 1/8 in, Hose Barb, 32-317

Description

The Clean Storm 32317 is a heavy-duty, straight brass adapter designed to connect a 1/8" inside diameter (I.D.) tube or hose directly to a 1/4" male pipe thread. Constructed from durable, high-quality brass, this fitting provides a reliable, leak-resistant connection suitable for various fluid, air, and industrial applications.

Featuring a precision-tapered Female National Pipe Thread (FPT/NPT), it creates a tight mechanical seal when mated with standard NPT male fittings (Teflon tape recommended for lubrication and optimal seal). The 1/8" barbed end inserts smoothly into your hose or tubing and can be firmly secured using standard hose clamps or Oetiker clamps.

Features

- **Heavy-Duty Brass Construction:** Built for strength, durability, and corrosion resistance in tough operating conditions.
- **Precision Hose Barb:** Designed to fit snugly inside 1/8" Inside Diameter (I.D.) tubing and hoses.
- **Standard Tapered Threads:** 1/4" Female Pipe Thread (FPT / FNPT) creates a tight, secure seal with matching male threads.
- **Versatile Clamping Options:** Compatible with Oetiker pinch clamps or traditional worm-gear hose clamps for maximum hold.
- **Straight Design:** Provides a direct, uninterrupted flow path for efficient fluid or air transfer.

Specifications

Brand / Manufacturer
Clean Storm

Part Number / MPN
32317 (32-317)

Parts & Accessories > Brass, Plastic, Steel, Stainless Hydraulic Fittings > Brass Fitting > Threaded X Barbed > Clean Storm 32317, Brass Hose Adapter, 1/4 in FPT x 1/8 in, Hose Barb, 32-317

Clean Storm 32317, Brass Hose Adapter, 1/4 in FPT x 1/8 in, Hose Barb, 32-317

Connection Type 1
1/4" Female National Pipe Thread (FPT / FNPT)

Connection Type 2
1/8" Barbed Fitting (Fits 1/8" I.D. Hose)

Fitting Shape
Straight

Material
Brass

Recommended Sealant
Teflon Tape / Thread Sealant (for FPT threads)

Recommended Clamps
Oetiker Clamps or Standard Hose Clamps

OEM Association
32-317
