## Clean Storm 32051, Brass Hose Adapter, 1/8 in FIP x 3/16 in Barbed Fitting, 32-051

Model Number: 32051

Clean Storm 32051, Brass Hose Adapter, 1/8 in FIP x 3/16 in Barbed Fitting, 32-051

Manufacturer: Clean Storm

Clean Storm 32051, Brass Hose Adapter, 1/8 in FIP x 3/16 in Barbed Fitting, 32-051

### Description

The Clean Storm 32051 Brass Hose Barb Adapter is a high-grade, durable fitting designed to create a reliable and secure connection between flexible tubing and male threaded pipe components. Constructed from heavy-duty brass, this straight hose adapter features a 3/16" barbed connection on one end and a 1/8" Female National Pipe Thread (FPT/NPT) connection on the other. It is engineered for long-lasting performance in high-demand plumbing, fluid transfer, and cleaning equipment applications.

### Features

- **Durable Construction:** Manufactured from heavy-duty brass for exceptional resistance to wear, corrosion, and rust.
- **Precision Fit:** The hose barb end fits securely into the inside diameter (ID) of standard flexible tubing and hoses.
- **Female Pipe Thread (FPT/NPT):** Standard tapered NPT threads ensure a tight, leak-free seal when paired with male threaded pipes (use Teflon tape for smooth thread lubrication and enhanced sealing).
- **Secure Fastening:** Can be clamped using Oetiker clamps or standard worm-gear hose clamps for leak-proof dependability.

### Specifications

Brand / Manufacturer  
Clean Storm

Model Number / MPN  
32051 / 32-051

Connection Type A  
1/8" Female Pipe Thread (FIP / FPT / NPT)
