DSC Products 42133, Quest Fabric Cleaning Concentrate, 4 Gallon Case

Manufacturer: DSC Products

Fabric Cleaning Concentrate

- A concentrate of cleaning chemicals, brighteners and solvents that become an effective dry cleaning solution when mixed in proper proportion with odorless mineral spirits.
- Approved under new requirements for all solvent cleaning machines.
- For drapes and upholstery fabrics that cannot be wet cleaned.
- Mix 4 oz. of Quest with one gallon of odorless mineral spirits.
- Apply only with an appropriate solvent machine with proper ventilation.
- Clear colorless liquid that has a faint mineral spirit odor.
- Flash point – 140°F.
