Chemspec LF774G DynaForce 77 Extraction Cleaner for Portables and Truckmounts 4/1 Liquid Gal Case
DynaForce 77 with Biosolv
A heavy duty, emulsifying detergent for truckmount or portable extraction units
Product Description
As one of the industry's best-selling liquid carpet cleaning formulations, DynaForce 77 has been delivering the Gold Standard of cleaning for many years. To make a great product even better, DynaForce 77 is now fortified with Biosolv® to break down all types of grease and oils in commercial and residential carpets. Economical and easy to use, DynaForce 77 with Biosolv leaves fibers cleaner, brighter and more resistant to resoiling. Delivers great results even with portable extractors.
