Clean Storm 30063, 3/4" Male Garden Hose x 1/2" FIP x 3/4" MIP Brass Triple-Threaded Adapter

Model Number: 30063

Clean Storm 30063, 3/4" Male Garden Hose x 1/2" FIP x 3/4" MIP Brass Triple-Threaded Adapter

Manufacturer: Clean Storm

Clean Storm 30063, 3/4" Male Garden Hose x 1/2" FIP x 3/4" MIP Brass Triple-Threaded Adapter

Description

The Clean Storm 30063 Brass Adapter is a high-performance, multi-functional plumbing fitting engineered for maximum versatility and durability. Featuring a unique triple-threaded design, this adapter allows connection across three distinct thread specifications in a single, compact component. One end is integrated with dual concentric threads (inside and outside) to streamline setups and eliminate the need for multiple extra fittings. Constructed from heavy-duty solid brass, it offers superior resistance to corrosion, high pressure, and wear, making it an essential component for commercial pressure washing, carpet cleaning equipment, industrial fluid management, and heavy-duty plumbing applications.

Features

- Innovative Triple-Thread Design: Combines three thread connections into one versatile fitting for ultimate compatibility.
- Dual-Threaded Single Side: Engineered with both internal and external threading on one end to solve complex connection challenges.
- Solid Brass Construction: High-grade brass build ensures corrosion resistance, structural integrity, and long service life.
- Leak-Free Performance: Precision-machined threads deliver tight, dependable seals under high-pressure conditions.
- Multi-Application Utility: Ideal for pressure washers, carpet extraction units, industrial hoses, and commercial water lines.

Specifications

Brand / Manufacturer
Clean Storm

Part Number (MPN)

Steambrite Supply

Clean Storm 30063, 3/4" Male Garden Hose x 1/2" FIP x 3/4" MIP Brass Triple-Threaded Adapter

30063

Material
Solid Brass

Connection 1
3/4" Male Garden Hose Thread (MGHT)

Connection 2
1/2" Female Iron Pipe (FIP)

Connection 3
3/4" Male Iron Pipe (MIP)

Thread Type Configuration
Triple Threaded (Dual threads on single end)
