Clean Storm 1405-1212, 3/4" Female NPT Swivel x 3/4" Female NPT Steel Hydraulic Adapter Fitting, Non-Live Swivel, 1405-12-12

Model Number: 1405-1212

Clean Storm 1405-1212, 3/4" Female NPT Swivel x 3/4" Female NPT Steel Hydraulic Adapter Fitting, Non-Live Swivel, 1405-12-12

Manufacturer: Clean Storm

Clean Storm 1405-1212, 3/4" Female NPT Swivel x 3/4" Female NPT Steel Hydraulic Adapter Fitting, Non-Live Swivel, 1405-12-12

Description

The Clean Storm 1405-1212 is a high-strength, heavy-duty steel hydraulic adapter fitting designed for secure, leak-free connections in demanding fluid power and high-pressure systems. Featuring 3/4" Female Pipe Threads (FIP / FNPT) on both ends, this fitting includes a non-live swivel joint engineered specifically to streamline installation and removal in tight, constrained plumbing layouts without twisting connected hoses or lines.

Important Swivel Mechanism Note: This fitting features a Non-Live Swivel function. The swivel rotates freely during installation and removal to ensure effortless alignability without hose torque. Once fully tightened, the fitting lock-stops and will not rotate continuous or "live" under operational fluid pressure.

Features

- **Easy Installation:** Non-live swivel feature allows independent rotation to align connections without twisting hoses during assembly.
- **Durable Construction:** Manufactured from robust high-grade steel for long-term reliability under severe operating conditions.
- **Dual Threaded End Connections:** Precision-machined 3/4 in. FIP (Female Iron Pipe / FNPT) ports on both sides for seamless integration.
- **Corrosion Protection:** Protective plated finish helps resist rust, oxidation, and wear in harsh industrial environments.
- **Leak-Free Seal:** Engineered to provide a rigid, dependable static connection once properly torqued into position.

Specifications

Parts & Accessories > Brass, Plastic, Steel, Stainless Hydraulic Fittings > Steel Fittings > Clean Storm 1405-1212, 3/4" Female NPT Swivel x 3/4" Female NPT Steel Hydraulic Adapter Fitting, Non-Live Swivel, 1405-12-12

Clean Storm 1405-1212, 3/4" Female NPT Swivel x 3/4" Female NPT Steel Hydraulic Adapter Fitting, Non-Live Swivel, 1405-12-12

Brand / Manufacturer
Clean Storm

Part Number / SKU
1405-1212 (1405-12-12)

Fitting Style
Hydraulic Adapter Fitting (Non-Live Swivel)

Connection Type Side A
3/4" Female Pipe Thread (FIP / FNPT)

Connection Type Side B
3/4" Female Pipe Thread Swivel (FIP / FNPT)

Swivel Action
Non-Live (Turns for installation/removal only; fixed when tightened)

Material
Steel

Finish
Zinc Plated / Protective Coating

Media Compatibility
Hydraulic Oil, Water, Non-Corrosive Fluids
