Clean Storm 20160616, Carpet & Tile Cleaning 3 Way QD Manifold Coupler Tee, Brass

Description

The Clean Storm 20160616 3-Way QD Manifold Coupler Tee is a heavy-duty brass fitting engineered specifically for professional carpet and tile cleaning applications. Designed to optimize solution flow and split high-pressure lines seamlessly, this brass manifold tee allows operators to connect multiple lines or accessories efficiently without compromising pressure or performance.

Constructed from industrial-grade solid brass, it offers superior corrosion resistance, high temperature tolerance, and long-lasting durability against demanding chemical solutions and continuous commercial use. Whether you are expanding a truckmount setup or configuring portable carpet extraction equipment, this 3-way quick disconnect tee delivers reliable, leak-free connection points for peak operational efficiency.

Features

- High-Durability Brass Construction: Built with solid brass for maximum resistance to rust, harsh chemicals, and high-pressure wear.
- 3-Way QD Design: Enables versatile flow distribution and quick connection/disconnection of multiple cleaning lines.
- Commercial-Grade Performance: Ideal for high-pressure carpet extraction, tile and grout cleaning, and pressure washing setups.
- Leak-Resistant Seal: Precision-machined threads and quick disconnect fittings ensure tight, leak-free connections.
- Universal Compatibility: Works seamlessly with standard carpet cleaning pressure hoses, quick-connect fittings, and manifold assemblies.
