Square Scrub EBG-20C Pivot Orbital Floor Machine 20in for Cleaning Scrubbing Floor Stripping & Polishing

Manufacturer: Square Scrub

Square Scrub EBG-20C Pivot Orbital Floor Machine 20in for Cleaning Scrubbing Floor Stripping & Polishing
Description

The Square Scrub Pivot orbital floor machine can handle any size job on a huge variety of floor surfaces. When you want the gold standard in commercial floor care, the EBG-20/C Pivot is a great choice for you and your business. Featuring our innovative pivoting head, this orbital floor machine can do dry floor stripping, scrubbing, and cleaning with nearly perfect surface area contact and easier operation, particularly on uneven floors. The Pivot can be used to lift worn-in dirt, grime, spills, and germs from a variety of floor materials including wood floors, stone tiles, grout, rubber, VCT (wet or dry), and more.

Features

- Pivoting Head
- Near Perfect Balance
- Low Vibration & Noise Level
- Cord Wrap
- Removable Weights
- Adjustable Handle
