Nikro 10-3 X 25 ft Power Extension Cord

15 Amp 10/3 AWG CGM SJTW Extension Cord
Our special SJTW (300V) jackets offer high visibility for safety underfoot and extra flexibility in cold weather. Each male plug has a built in amber neon light which indicates that there is power in the cords and outlet. In addition, these extension cords provide Continuous Current and Ground Monitoring (CGM), an OSHA safety requirement. A green neon light in the female connectors lets you know at-a-glance that there is ground continuity.
