1 kit per pump. Fits pumps:
Legacy GM3540R.2 , Hotsy HM3540R.2 , Landa LM3540R.2 , Karcher KM3540R.2

Hotsy Pump "U" Seal Kit, 15mm. For use in numerous Hotsy pumps, including HHS335CR,HM3540, HS3040G, HS330R, HS335R, HS340R, HS3540G, HS4040G, HS5030G

Hotsy Pump U Seals are engineered for a longer life - up to three times longer seal life over similar pumps in the industry. Seals are rated for temperatures up to 185 Deg F.

Seals are a wear item in the pump because of the intense pressure they are subjected to. Hotsy's new U Seal design holds up better, and has improved the seal life by changing the geometry of the packing assembly and providing greater support to the seals. The end result is a high-performance pump with extended service life.
