professionals
Build in oil level site view window

The Legend Q Series has a high strength impeller case for reduced noise and vibrations, and a unique porting design which results in a quieter discharge noise. The Legend DSL Series offers superior quality, like refined timing and locking devices. They provide unmatched strength and rigidity from increased mass.

– 24/30 Warranty
• Legendary 75 years of proven results and most recognized name in the industry
• Operating temperatures are up to 15°F cooler compared to leading competitive brands for longer bearing life
• Greater durability with an increased capacity for overhung load by as much as 30%
• Unmatched weight, rigidity and strength protect against bearing wear, rotor contact and overall package vibration
• Universal mounting feet allows for easy field conversion
Commonly used with 25 horse power truckmounts.
Mounts vertically or horizontally (feet included) and can be spun in either direction.
