TurboForce TH-270B Replacement Brush Ring for TH-40 Turbo Hybrid 12 Inch Tile Spinner Tool

Model Number: TH-270B

TurboForce TH-270B Replacement Brush Ring for TH-40 Turbo Hybrid 12 Inch Tile Spinner Tool

Manufacturer: Turbo Force

TurboForce TH-270B Turbo Hybrid TH-40 Replacement Brush Ring for 12 Inch Tool
TurboForce TH-270B Replacement Brush Ring
Replace the worn outer brush ring on your TurboForce TH-40 Turbo Hybrid tile and grout cleaning spinner tool. This is the brush ring only and does not include the complete spinner head, dome, spray bar, swivel, or handle assembly.
The TH-270B brush ring helps maintain proper vacuum recovery, cleaning height, and contact between the TurboForce TH-40 cleaning tool and the floor surface. A worn brush ring can reduce recovery performance and allow excess water to remain on the floor.
Fits These TurboForce / Hard Surface Spinner Tools

- TurboForce TH-40 Turbo Hybrid Tile Cleaning Spinner
- TurboForce TH40
- US Products HFT-40
- Sapphire Scientific HFT-40
- Versatile 12 inch hard surface spinner systems

OEM and Cross Reference Numbers

- TH-270B
- TH270B
- HY270B
- TH-270G
- TH270G

TH-270B vs TH-260 Replacement Part

Part Number	Description
TH-270B	Replacement outer brush ring for TH-40 Turbo Hybrid
TH-260	Replacement hard boot ring / floor glide ring for TH-40

TurboForce TH-270B Replacement Brush Ring for TH-40 Turbo Hybrid 12 Inch Tile Spinner Tool

TH-255
Replacement inner shell assembly

Common Reasons To Replace The Brush Ring

- Brush material is worn down from normal use
- Reduced vacuum recovery
- More water left behind after cleaning
- Uneven contact with tile and grout surfaces
- High-hour commercial use

Recommended TH-40 Maintenance Parts
If your TH-40 Turbo Hybrid is heavily used, inspect these additional wear items:

- TH-260 Hard Boot Ring
- TH-255 Inner Shell
- TH-48HP Replacement Solution Hose
- Mosmatic / TurboForce Swivel
- Replacement Spray Bar and Jets

Important Ordering Information
Please verify your existing part number before ordering. TurboForce has several similar looking replacement rings used on different spinner tools. This listing is for the TH-270B brush ring only.
Images are for reference only. The part supplied will match the part number ordered.
Replacement outer brush lip ring to the TurboForce Hybrid TH40 tile cleaning wand.
Note this same factory makes tools and parts for 12", 15", and 17" spinner wands.
This item is to repair the 12" version only.
