ST-4 The Wave Shampoo Tank

The Wave is making a big splash.

Forget everything you know about shampoo tanks! This revolutionary new shampoo tank, is setting a groundbreaking industry standard for this longtime carpet-cleaning staple. Never before has a shampoo tank had this many unique, user-friendly features.

Features:

- A graduated, translucent 4-gallon tank that allows for precise measuring and lets you know when solution is running low

- Spill-resistant and easy fill-up big-mouth fill port for easy fill-up using a bucket

- A built-in, easy-fill hose that connects to any standard sink faucet

- A rear tank drain that puts an end to detaching the tank to empty it

- A quick-release clamp system that holds the tank tightly in place, and prevents wobbling and puncturing

- A tethered lid that prevents its loss

- A universal design that fits most floor machines

- Durable roto-molded polyethylene plastic that will last for years
