American Training Videos Custodial Series 1003 Safety for Custodians

Manufacturer: American Training Videos

American Training Videos Custodial Series 1003 Safety for Custodians [AMT-1003]

Emphasizes that safety can’t be assumed. DVD shows how to handle events such as fire, burns, fume inhalation, chemical spills, falls and falling objects, sprains and strains, cuts, bumps and bruises. The eight rules of cleaning safety are discussed, as is how to report all injuries, swinging doors, horseplay and defective equipment.
