American Training Videos Healthcare Series 1086 Housekeeper Rules of Conduct

Manufacturer: American Training Videos

American Training Videos Healthcare Series 1086 Housekeeper Rules of Conduct [AMT-1086]

Outlines the "do's" and "don'ts" that housekeepers should follow on every assignment. The "do's" include: human relations, respect, working quietly, reporting mistakes and breakage, security rules, burglar/firm alarms, conservation of supplies, knowledge of equipment, organization of supply closet, mops, buckets and wringers, dress codes, health and safety requirements, SDS, safety glasses, shoes and gloves, talking to supervisors and ordering supplies. The don'ts include: harassing, intimidating, threatening, arguing, fighting, profanity, theft, undesignated rest areas, smoking, visitations of friends, absences and tardiness, alcohol and illegal drugs, firearms, sleeping, radios and TV, and wasting supplies.
