Manufacturer: American Training Videos

American Training Videos Healthcare Series 1091
Blood Borne Pathogens in Healthcare Facilities
[AMT-1091]

This presentation describes actions to take to minimize the risk of exposure and maximize safety compliance. This presentation is compliant to OSHA's Blood borne Pathogens Standard (29 CFR, 1910.1030). Presented in a Healthcare type setting and covers symptoms of Blood borne disease including mode of transmission, the exposure control plan, recognizing exposure situations and how to prevent exposures. Shows emergency procedures, biohazard signs and labels, selection and use of personal protective equipment, proper disposal of protective equipment, notification of supervisors and or Healthcare officials.
