American Training Videos Food Service Series 1403 Cleaning Refrigerators Freezers Knives

Manufacturer: American Training Videos

American Training Videos Food Service Series 1403
Cleaning Refrigerators, Freezers, Knives
[AMT-1403]

This video covers the important aspects to clean and maintain Refrigerators, Freezers, Knives and Slicers. Following the manufacturers suggestions means you'll get the best results each and every time. It clearly shows the importance of having knives that will always be sharp, mixers that will always mix, dishwashers that will always clean, and coffee makers that will always make coffee people love to drink. Having well maintained equipment can even affect the taste of your end product. The on-camera host takes you through each step of the training process and creates a friendly, instructive atmosphere.
