Clean Storm 28123, Brass Bar Stock Jam Locknut 1/8in FIP

Model Number: 28123

Clean Storm 28123, Brass Bar Stock Jam Locknut 1/8in FIP

Manufacturer: Clean Storm

Clean Storm 28123, Brass Bar Stock Jam Locknut 1/8in FIP

Description

The Clean Storm 28123 Brass Bar Stock Jam Locknut is a precision-engineered fitting designed to provide a secure, vibration-resistant hold in high-pressure plumbing, carpet cleaning equipment, and industrial fluid applications. Machined from solid brass bar stock, this 1/8" Female Iron Pipe (FIP) locknut offers superior strength, durability, and corrosion resistance compared to standard cast fittings.

Its slim jam nut profile makes it ideal for tight clearance areas, panel mounting, or locking threaded pipe components firmly into position to prevent accidental loosening during operation.

Features

- **Solid Brass Construction:** Machined from high-grade brass bar stock for enhanced tensile strength and corrosion resistance.
- **Secure Locking Capability:** Holds threaded connections rigid to prevent backing off due to system vibration or mechanical stress.
- **Low-Profile Design:** Slim jam nut profile enables easy installation in tight spaces and panel-mount assemblies.
- **Precision Threading:** Clean, standard 1/8" FIP threads ensure seamless compatibility with standard male pipe threads.
- **Versatile Application:** Ideal for pressure washers, carpet extraction units, chemical metering systems, and industrial fluid controls.

Specifications

Brand
Clean Storm

Part / SKU Number

Parts & Accessories > Brass, Plastic, Steel, Stainless Hydraulic Fittings > Brass Fitting > Threaded X
Threaded > Clean Storm 28123, Brass Bar Stock Jam Locknut 1/8in FIP

Clean Storm 28123, Brass Bar Stock Jam Locknut 1/8in FIP

28123

Item Type
Jam Locknut

Material
Brass (Bar Stock)

Thread Size
1/8 in.

Thread Type
FIP (Female Iron Pipe) / NPT

Profile
Slim Jam Nut

Application
Pressure Washing, Carpet Cleaning Equipment, Industrial Fluid Lines
