Steel Eagle ASE-0017 24" Straight Handle Talon 4 Swivel Surface Spinner (New Design)

Manufacturer: Steel Eagle

Steel Eagle ASE-0017 24" Straight Handle Talon 4 Swivel Surface Spinner (New Design)

Description

Maximize Your Pressure Washer's Effectiveness!

The Steel Eagle Surface Spinner uses force generated by your pressure washer to spin two spray nozzles at high speeds, which maximizes cleaning on flat surfaces. It produces consistent quality and cuts cleaning time by as much as 66%. It also decreases operator fatigue, so it virtually pays for itself in no time at all!

Large inset wheels allows easy maneuverability along edges and curbs, while keeping cleaner on the level surfaces. The front-mounted swivel caster has a Delrin bushing for easy handling and turning.

The swivel is long-lasting and dependable; and durable, lightweight aluminum construction means long life.

#### Specifications

- Model 24"
- Maximum Pressure 4000 PSI
- Maximum Flow 10 GPM
- Min. Recommended Pressure 1500 PSI
- Min. Recommended Flow 3 GPM
- Maximum Temperature 250° F
- RPM 2000
- Cleaning Path 24"
