Model Number: 30042

Clean Storm 30042, 3/4" Male Garden Hose x 3/4" Hose Barb Brass Adapter

Manufacturer: Clean Storm

Clean Storm 30042, 3/4" Male Garden Hose x 3/4" Hose Barb Brass Adapter

Description

Upgrade your plumbing, pressure washing, or fluid transfer setup with the high-durability Clean Storm 30042 Brass Adapter. Designed to bridge standard garden hose connections to flexible tubing, this heavy-duty fitting features a 3/4" Male Garden Hose Thread (MGHT) on one end and a 3/4" Hose Barb on the other. Constructed from premium-grade solid brass, it delivers superior corrosion resistance and a reliable, leak-free connection under demanding operating conditions.

Features

- Precision Threading: Features standard 3/4" Male Garden Hose Threading for seamless connection to standard garden hoses, valves, and female hose equipment.
- Secure Hose Barb Connection: 3/4" barbed end provides an ultra-tight seal when used with flexible hose tubing and secured with a standard hose clamp.
- Solid Brass Construction: High-grade brass body ensures exceptional durability, rust resistance, and long-term reliability in harsh environments.
- High Flow Capacity: Straight-through full-bore design ensures maximum fluid volume flow rate with minimal flow restriction.
- Versatile Application: Perfect for pressure washers, carpet cleaning extraction systems, agricultural watering setups, industrial fluid transfer, and commercial plumbing.
