After a long and thorough process of research and development that entailed trips
across the United States, focus groups and rigorous in-field testing.

Century 400 proudly re-introduces the Ninja series!

Faster drying times. The Ninja Warrior uses a parallel vacuum motor system which
delivers a 25% greater solution recovery rate than series vacuum motor systems.

Maintenance is easier than ever providing an open access to all components
delivering the ability to easily maintain, clean and care for your Ninja Warrior after
jobs.

All controls and connections are located on the upper center panel for easy access
and operation.

Integrated handle and rear castes assist with loading and unloading.

The on-board carrying system provides storage for your wand, double cord wrap
stow, 5 gallon bucket, hose and quart of pre-spray.

Utilizing a roto-molded housing the Ninja Warrior is tough enough for all your travels

>

and jobs.
