Options:
Pick up and delivery: Yes but you have to have the personal at the site to remove or load the jack into the tuck.

Caution: It is important to not overload the weight capacity.

Questions:
A. Why do I have to supply my Social Security Number?
Answer: This is to affect your credit when you do not bring the equipment back. This is no different than when you go to the doctor’s office and they ask for your social security number. They only reason they need it is if you do not pay your bill promptly, they can turn it in to a collections agency. This is a requirement. The only way to avoid providing this information is provide a large enough cash deposit that will purchase the equipment.

B. Are you open on Sunday?
"No." See rates above for Sunday rentals

C. Can I reserve a machine for a specific day?
"Yes, but only if you prepay for it. We will have to take the required information over the phone and charge you in advance for the rental.

D. What if I prepay for a rental and cannot show up to pick up the machine?
All sales are final. No credit is placed back on your credit card, but we can carry over the funds to use on a different day (like purchasing an airline ticket.)

E. Does the machine come with instructions on How to use it?
No, Just ask at pick up and we will show you what to do.

F. Can I pick up a machine on Friday and bring it back on Monday?
Yes, but you will be charged for 2 days and Sunday will be free / see rates above.
