Envirocon HVAC Systems Environmental Deodorizer

Product Description
A point of contact application, EnviroCON® eliminates odors at their source through a chlorine dioxide release-process that destroys organisms at the origin.
EnviroCON® uses no perfumes or masking agents.
EnviroCON® is an EPA registered, ready to use, safe, low toxicity formulation that inhibits the growth of odor causing organisms as well as those organisms associated with mold, mildew and bacterial growth in the air and in HVAC systems.
