Features:

Convert your pressure washer in full range pressure cleaning to use for all surface types including:
Pressure washing @ 3000 + psi
Indoor tile and grout cleaning @ 1500 psi
Carpet cleaning @ 500 psi
Upholstery Cleaning @ 400 psi
Top unloader is factory preset for pressure washing
When you open the ball valve, water finds the bath of lest resistance and the second unloader takes over
Includes stainless air stem for assisting in water removal to assist from freeze damage.

Installation:

Optional labor if install and tested in San Antonio, TX: Optional 2.5 Hours $200

Installation notes: Do not grab the unloader and force side pressure on the knob during installation and this will bend the internal piston and make the unloader not work correctly.
Always support your work with wrenches as you move to the next piece.
When possible, fill coils with aniti-freeze, blow out water and anti freeze, use an electric space heater and tarp to assist in protection of freeze damage.
If you order the parts and need phone tech support this is an optional $40. This web page is for parts only. We have provide large detail photos so you should be able to upgrade without any additional help.

Usually shipping in two boxes from 2 locations (this is why the shipping is high)
