50 ft section with male and female garden hose ends installed. HBD Thermoid Inc ValFlex (ValueFlex) or Texcel 1/2" ID Per Foot 200psi Red or Black General Service (GS) General Purpose (GP) Hose

For Air, Water, General Purpose, General Service. Hose reel not included.

Texcel / Valuflex/GS is one of the finest multipurpose air and water hose available, anywhere. Black Valuflex provides job/color coding possibilities for safety and other considerations. Valuflex is a very economical general service air and water hose. It can be used in numerous industrial, agricultural and construction applications where oil is not a factor. Valuflex is easy to handle and very flexible due to its multi-spiral layers of durable reinforcing polyester yarn. Available in a wide variety of sizes, Valuflex provides constant working pressures of 200 psi. It has an EPDM tube and cover that resists abrasion, heat and ozone. This hose is not for use as a steam hose.
