Corded Electric 3/8 Portable Drill Driver or Similar 46178

Manufacturer: Ironton

46178 Corded Electric Driver

— 3/8in. Keyless Chuck, 4.0 Amp, 3000 RPM

### Product Summary

The 3/8in. Corded Electric Clutch Driver features a powerful 4 Amp motor to maintain higher operating speeds under load. Variable speed driver has reverse feature for removing fasteners. LED power-on indicator light shows when tool is plugged in and ready to use. The keyless chuck enables easy bit changes without using a key. Rubberized grip provides comfort and control. Heavy-duty motor delivers long-lasting service. Driver is ideal for deck building, attaching siding, hanging pictures, mirrors, shelves and other fastening tasks.

\*\* The clutch drill is be phased out and once inventory depletes, the item will be replaced with a similar functioning clutch drill.

Heavy-duty 4 Amp motor maintains operating speeds under load 20% stronger than most other drills on the market!
