Manufacturer: Nikro

ZIPWALL 4 PACK

The 4-Pack can create a dust barrier up to 30' long. It's ideal for getting started with the ZipWall® Dust Barrier System or adding to you existing system. The spring-loaded, twist-locking poles set up in minutes. The innovative head and plate design make it easy to attach plastic sheeting (up to 8 mils). Poles should be placed every 8' to 10' or closer if there is significant air movement.
Package Includes:

- 4 Zipwall Spring Loaded Poles
- 4 GripDisk
- 2 Zipwall Zippers
- 1 Carry Bag

Poly Sheeting Sold Separately.
