Manufacturer: Rotovac

Rotovac 360i HS (Hard Surface) Tile Cleaning Brush 12 in 3 jet 3 vacuum slots

The NEW 360i Hard Surface/Tile and Grout Brush Head is now available. Simply spin off the carpet cleaning head and spin on the new H/S Brush Head. Pre-spray the floor with your cleaning agent and start cleaning tile and grout just like cleaning a carpet. The H/S Brush Head scrubs, rinses and extracts simultaneously leaving the floor clean and dry. The H/S Brush Head does not require high pressure so it works great with any portable extractor or truck-mount. Industrial grade brush head available in fine, medium and coarse grits for cleaning virtually any type of hard surface
Nearly all of the water is recovered through the unique air sealed brush design. 3 spray jets flush and rinse the bristles which virtually eliminates residue left behind by other methods, allowing you to clean faster and remove nearly all chemical residue (left behind by other methods).

FEATURES:
- 3 Industrial grade nylon vac shoes
- 3 spray jets
- Industrial grade brush block available in fine, medium and coarse grits for cleaning virtually any type of hard surface
