Clean Storm 20130106, 22mm Female Twist Coupler to 3/8" Stainless Steel Female QD Adapter

Description

Upgrade and extend the versatility of your cleaning equipment with the Clean Storm 20130106 Adapter. This heavy-duty conversion fitting connects seamlessly to a standard 22mm male twist coupler commonly found on pressure washing hoses, converting it directly to a 3/8" quick-disconnect (QD) female socket.

Engineered with high-grade stainless steel components for maximum durability and corrosion resistance, this adapter enables surface cleaners, carpet extractors, and tile restoration technicians to effortlessly adapt pressure washer lines for use with standard carpet and tile cleaning wands, hoses, and accessories.

Features

- Seamless Equipment Conversion: Easily converts M22 pressure washer connections to standard 3/8" female quick disconnects.
- Multi-Industry Versatility: Ideal for bridging pressure washing setups with professional carpet, upholstery, and tile cleaning tools.
- Stainless Steel Construction: Built with high-strength stainless steel QD internals for superior resistance to rust, chemicals, and high-pressure wear.
- Leak-Free Seal: Precision-threaded design ensures a tight, reliable connection under demanding operational pressures.
- User-Friendly Grip: Textured outer collar on the 22mm twist fitting allows for quick hand-tightening without requiring special tools.
