Clean Storm 20130110 22mm Female Twist Coupler to 1/4" Brass Male QD Adapter

Description

Seamlessly transition your high-pressure cleaning setup with the Clean Storm 20130110 Adapter. Engineered for max versatility, this heavy-duty adapter connects directly to standard 22mm male twist couplers commonly found on pressure washing hoses. By stepping down to a 1/4" brass male quick disconnect (QD) fitting, it allows professional technicians to adapt pressure washing equipment for use with standard carpet cleaning, hard surface, and tile cleaning tools and hoses. Built from durable brass to withstand demanding pressure and high-temperature environments, this adapter ensures a secure, leak-free connection every time.

Features

- Universal Compatibility: Effortlessly connects 22mm male twist couplers to standard 1/4" quick disconnect fittings.
- Versatile Application: Converts high-pressure washing hoses for seamless integration with carpet extraction and tile cleaning wands and tools.
- Solid Brass Construction: Offers superior corrosion resistance, high thermal tolerance, and long-lasting performance under rigorous daily use.
- Secure & Tight Fit: Precision-engineered threads and quick disconnect design prevent pressure loss and fluid leaks.
- Easy Installation: Designed for quick twist-on attachment without requiring specialized tools.
