Clean Storm 20130113, 22mm Male Plug to 3/8" Stainless Steel Female QD Adapter

Description

Seamlessly bridge the gap between your pressure washing equipment and your detailing tools with the Clean Storm 20130113 adapter. This premium Quick Disconnect (QD) adapter is expertly designed to hook directly to a 22mm male pressure washing hose, instantly converting it to accommodate standard carpet cleaning and tile cleaning tools, wands, and hoses. Built for durability and performance in demanding cleaning environments, it ensures a secure, leak-free connection every time.

Features

- Versatile Conversion: Easily converts standard 22mm male pressure washing hoses for compatibility with standard carpet and tile cleaning tools.
- Quick Disconnect Functionality: Allows for rapid, tool-free connection and disconnection of hoses and wands to streamline your setup workflow.
- Heavy-Duty Construction: Combines precision threading with high-grade materials to withstand high pressure and daily professional wear and tear.
- Reliable Seal: Engineered for a tight, secure fit to prevent pressure loss and water leaks during operation.
