Clean Storm 20130115, 3/8 Stainless Steel Male QD To 1/4in, Insulated Carpet And Tile Cleaning Female QD Adapter

Model Number: 20130115

Clean Storm 20130115, 3/8 Stainless Steel Male QD To 1/4in, Insulated Carpet And Tile Cleaning Female QD Adapter

Manufacturer: Clean Storm

Clean Storm 20130115 - 3/8" Stainless Steel Male QD to 1/4" Insulated Carpet & Tile Cleaning Female QD Adapter

Description

The Clean Storm 20130115 Adapter provides a seamless bridge between heavy-duty 3/8" pressure washing setups and standard 1/4" carpet and tile cleaning equipment. Engineered for high-temperature and high-pressure cleaning applications, this specialized adapter converts a standard 3/8" female quick disconnect pressure washing hose directly down to a 1/4" quick disconnect connection used on professional carpet wands, tile tools, and solution lines.

Featuring a durable stainless steel 3/8" male plug and a protective insulated sleeve over the female quick disconnect, this unit prevents accidental heat burns during high-temperature operation while ensuring long-lasting performance and chemical resistance.

Features

- Seamless Conversion: Effortlessly connects a 3/8" female pressure washing quick disconnect hose to standard 1/4" carpet and tile cleaning tools.
- Heat Protection Sleeve: Includes an insulated protective sleeve over the female quick disconnect to prevent burn injuries when working with high-temperature hot water extractors and pressure washers.
- Durable Stainless Steel Plug: Built with a heavy-duty 3/8" stainless steel male nipple for maximum corrosion resistance and longevity under high pressure.
- Solid Brass Reduction Fitting: Precision brass reducing adapter ensures a tight, leak-free transition between 3/8" and 1/4" thread sizes.
- Commercial Grade Build: Pre-assembled using industrial-grade components designed to withstand daily professional restoration, tile, and carpet cleaning demands.

Product Specifications

Clean Storm 20130115, 3/8 Stainless Steel Male QD To 1/4in, Insulated Carpet And Tile Cleaning Female QD Adapter

Brand
Clean Storm

Part Number / SKU
20130115

Inlet Connection
3/8" Quick Disconnect Male Plug (Stainless Steel)

Outlet Connection
1/4" Quick Disconnect Female Coupler (Insulated Sleeve)

Material Construction
Stainless Steel, Heavy-Duty Brass, High-Temp Insulated Rubber Sleeve

Application
Carpet Cleaning, Tile & Grout Cleaning, Pressure Washing Conversions

Made with the following parts:

West Pak Insulated Quick Disconnect Connector Sleeve and QD Set - Covers Your QD's to Prevent Burning Combination (QD Included)
