Description
The Clean Storm 20180622 Plastic Hose Reducing Coupler Joiner provides a reliable, secure connection when transitioning between different hose sizes. Designed to fit into the end of a 3/8" ID hose, this durable plastic joiner reduces down to allow 1/4" hose connections, ensuring a tight seal for fluid transfer applications. Perfect for maintenance, repairs, or custom system builds. Take advantage of our "Buy More, Save More" tier pricing on bulk orders.

Features

- Precise barb sizing for a snug, leak-resistant connection
- Reduces from 3/8" Inner Diameter (ID) hose down to a 1/4" ID hose
- Durable, lightweight plastic construction resistant to wear
- Easy inline installation with no special tools required
- Bulk savings available with "Buy More, Save More" discounts
