PowrFlite PFMW18 Multiwash XL 18 Inch Multi-Surface Encapsulation Scrubber CRB18 Minuteman PortAScrub

Manufacturer: Powr-Flite

PowrFlite PFMW18 Multiwash XL 18 Inch Multi-Surface Encapsulation Scrubber CRB Description
The Multiwash Scrubber is perfect for someone who needs a quick and easy solution for multiple floor types. With 4 brushes to choose from, nearly every hard floor care job can be completed with the Multiwash Scrubber. Counter-rotating brushes and recovery drum allow the Multiwash to dispense solution, scrub the surface and recover dirty water in one pass. Removable tanks make cleaning easy, without the use of tools. Clean hard floors, wood, carpet, sport floors grouted ttile and more with one machine!

The Multiwash offers quiet, high quality cleaning performance, versatility, ease of use and durability. This machine will wash, mop, scrub and dry in a single pass on virtually every kind of floor. The Multiwash can even be used on escalators and entrance matting.

The compact size of the Multiwash means that it can be used under furniture and work surfaces without the need to bend down. This customer favorite offers wall to wall cleaning even in the tightest corners.

Please note that this unit is only available in 115 volts and cannot be manufactured in 230 volts.
Please note the factory does not guarantee the color or shade of the materials used in production. Has been known to ship in blue, red, yellow...
Features

- Counter-rotating cylindrical brushes provide deep scrubbing at 650 RPMs - over three times higher than rotary brush scrubbers and 4-6 times more contact pressure for superior cleaning
- Save time with self-cleaning brushes - no messy pads to worry about
- One set of brushes = about 100 floor pads
- Eco-friendly low moisture cleaning uses 30% less chemical and water
- Whisper quiet 69 dBA level for anytime cleaning - meets LEED requirements
- Excellent maneuverability, no heavy pushing, pulling, or lifting
- Wall-to-all cleaning that reaches into the tightest corners

Warranty Information
All Powr-Flite equipment has been carefully tested and inspected at the factory. It is guaranteed, subject to the terms stated in this warranty, to be free of defects in materials and workmanship. We will repair or replace any parts which, upon examination, prove to be defective in material and workmanship. For warranty claims, call our Customer Service Department.

NOTE: Electric cable switches, carbon brushes and couplings are excepted from these guarantees, but the purchaser is assured meticulous care has been exercised in the selection, assembling and testing of these parts before shipping. This warranty does not apply to damage caused by accident, misuse, negligence, abuse, fire or to any Powr-Flite product which has been repaired by other than an authorized Powr-Flite distributor or factory personnel. Warranty is void if products are used for any purpose other than that which was intended. Please read instruction manuals and maintenance instructions carefully.
Question & Answers
Question: How many square feet per hour does it take to clean?

Answer: The Multiwash is rated to clean 7500 square feet per hour with its 17" cleaning path.

Question: What is the solution tank capacity?

Answer: The Multiwash has a 1 gallon solution tank and a .4 gallon recovery tank.

Question: What is the brush speed?

Answer: The Multiwash has a brush speed of 650 rpm from its 1 hp / 750 watt motor.
