denting

T-REX[®]; Jr. Rotary Extractor | MSRP \$2,199.00

Our line of T-REX[®]; machines use rotary extraction for a deep and thorough cleaning that lifts embedded soil and restore the carpet's surface. Use the optional Pad Driver head (Part #A103A) to clean hard floor surfaces, such as tile and grout.

Features:

- 12' cleaning path
- Adjustable 80 - 180 RPM
- 4 vacuum slots
- High solution flow; 4 jets.
- Includes FREE set of pre-installed carpet brushes (valued at \$135.00)
- Powerful 0.5 HP electric motor
- Lightweight at only 50 lbs.
- Ambidextrous safety switch - prevents damage to near by objects
- Elevated, easy handle adjustment
- Clear swivel tube
- 2" Cuff-Lynx[®] hose connection with retainer (retainer keeps vacuum hose from getting in the way)
- Pigtail with detachable 25' lighted power cord
- Swivel QD
- Front handle for easy pick up

8400DX Mytee Dry[®]; Upholstery Tool | MSRP \$349.00

The Mytee Dry[®]; is unlike any upholstery tool on the market with a unique comfort grip handle that eliminates strain to the wrist and a durable stainless steel glide that allows for fluid back-and-forth cleaning motions.

Features:

- Stainless steel glide eliminates overspray
- 1.25" vacuum & internal solution hose combo
- Clear top allows user to see dirt and grime being extracted
- Easy-access adjustable flow valve
- Vacuum relief valve allows you to reduce suction power for more delicate fabrics
- Soft-feel Comfort Grip

8101 25' x 2" Vacuum & Solution Hose Combo | MSRP \$199.00

Features:

- 2" Crush proof high quality vacuum hose
- Durable brass quick connects
- Solution hose is rated for 3000 PSI at 250 degrees Fahrenheit
- Video below is of the same vacuum and pressure and has auto fill and dump. This machine is manual fill and drain.

.Machine only specs:

>

Mytee Warranty

Note that both Mytee and SteamBrite reserve the right to change exact specifications without notice. What does this mean? It means that we do not open your boxes and Mytee will change the components that they use to build your machine. We verify the model number and voltage that is stamped on the box. We do not guarantee exact color or shade of your product though usually these ship in the blue family. In early 2018 Mytee is in the process of changing the rear wheels and front casters to a different size and specification. Other changes might also take place. What Mytee does guarantee is that the performance and the product is new and comes with the full manufacturer's warranty with its national service center locations. In other words, this is a 400 psi pump with dual vacuum motors in a dual 9/10 gallon body style with dual 50 ft 12-3 power cords, but the exact pump model or exact vacuum motor, pressure gauge, style of caster and wheel, color of the vacuum lid, does exhaust blow at the bottom or back wall, or brand/color of switch that is installed in your machine can be different. In the last few years these machine have been built with Pumptec pumps, Cat Pumps, and General pumps. These are all great pressure pumps. The vacuum motors have been consistent for many, many years with the same Electro vacuum motor used but this has not always been the case as some other brands have been used. Constant changes are made on designs to improve performance as well as based on vendor supplied parts. Mytee's warranty states: Mytee may make changes in products it manufactures and markets at any time; these changes are made without obligation to change, retrofit, or upgrade any product previously sold or manufactured.

Original dealer price \$2405.00 ; Original MSRP \$3879.00 -->
