KOHLER PA-PRO28I-3001 Generator 2.8KW Inverter 2500-Watt Gasoline Powered Portable Generator Freight Included GTIN:N/A

Model Number: PA-PRO28I-3001

KOHLER PA-PRO28I-3001 Generator 2.8KW Inverter 2500-Watt Gasoline Powered Portable Generator Freight Included GTIN:N/A

Manufacturer: Kohler

KOHLER PA-PRO28I-3001 Generator 2.8KW Inverter 2,500-Watt Gasoline Powered Portable Generator

Runs 10.2 hours at 1/2 load
Safely powers sensitive electronics
Automatically shuts down engine in low-oil conditions

KOHLER’s inverter generator provides clean, efficient, dependable power. With its size and clean power output, the PRO2.8i meets the demands from jobsites to small home backup. It operates 10.2 hours on a tank of gasoline at 50% load.
California residents: see Proposition 65 information

Smart, clean power - senses power demand and produces only the needed power, saving fuel and reducing exhaust gases and wear and tear for long product life
Inverter technology - output current safely powers sensitive electronics
Quiet operation - demand-based operation provides quiet power
More work, less downtime - our 2.9 Gal. fuel tank means long runtime and less time refueling
Ground-fault circuit interrupter (GFCI) protects equipment from faulty current
68 lbs. - lightweight, open frame for easy maintenance
Extra engine protection - oil sentry automatically shuts engine down in low-oil conditions
Premium warranty - 3-year limited warranty
Trusted worldwide, since 1920, hospitals, airports and military bases around the world have been depending on KOHLER generators
